

The Kimberley School

Site Assistant
(Full-time 37 hours, all year round)
Salary: Scale 3
£17,681 - £18,672

The Kimberley School is a vibrant school with a high-achieving, sixth form. The school enjoys superb facilities and, as a member of the East Midlands Education Trust (EMET), has a very bright future.

The Kimberley School is part of EMET which includes 13 local primary and secondary phase academy schools. All staff across the Trust enjoy professional development and career opportunities that are not possible in a stand-alone academy.

We require a hardworking Site Assistant with good relevant knowledge and handy person skills to join our dedicated site team in ensuring that the school remains a safe and tidy environment that promotes good learning. The successful person will be working in a rotating shift system that operates weekdays from 6am to 10pm, however, most evening shifts finish at 7pm. The role is providing effective caretaking support. Previous experience in a similar role would be a distinct advantage.

Duties will be varied and the successful applicants must be able to work using their own initiative alongside a friendly and committed staff team.

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. All posts are subject to an enhanced Disclosure and Barring Service (DBS) check.

An application pack and form can be downloaded from the vacancies page on our website www.kimberleyschool.co.uk. Closing date for applications is Friday 7th December at 12 noon.
