FOR

SEPTEMBER 2018-JULY 2019

Chillax after school club for Year 7 and 8 students runs from Monday to Friday 3.30-5.30pm in the Youth club behind the leisure centre.

We will be recruiting up to 5 new paid play workers this July 2018 to start in the new school year.

Duties include supporting the leader in charge with delivering activities within the youth club and sporting activities down on the astro and courts. Previous activities range from cookery, craft, pool tournaments, football, basketball and new activities are always encouraged.

In order to work with students' responsibly, successful candidates will be provided with safe guarding training.

Aside from leading and supervising activities the sixth form play worker will have cleared a compulsory DBS check in order to work with children. (After being selected for the role, school administrators will support you during this process to complete the admin forms)

Previous experience isn't necessary, just enthusiasm, creativity and an interest in working with 11 and 12 year olds. Chillax is open to all including those with SEN and behaviour needs. Patience comes in handy.

To show your interest we would like candidates to come along to Chillax sessions and see what the sessions are like. This not only allows for you to check if it's the job for you but it allows staff to get to know you and select for interviews in July. Leaders are Ms Bellamy, Ms McKinnon and Mrs Eagles.

If you are interested in shadowing a session starting any day from Wednesday 6th June, (From 1 session to as many as you'd like to help with! You are also not required to stay 2 whole hours if unable to) please email k.anderson1@kimberleyschool.co.uk to express your interest.

News Items of the Week:

Thousands march for 'people's vote' on Brexit

Campaigners marched through London on the second anniversary of the UK voting to leave the EU.

What are your views on Brexit?

And.....**England are through to the next round of the World Cup**

England achieved their most emphatic World Cup result as Harry Kane's hat-trick helped them thrash a poor Panama side and reach the last 16.

There were five first-half goals, with John Stones heading in the opener.

Kane made it 2-0 from the spot before Jesse Lingard, who was fouled in the box, made it 3-0 with a great strike.

Stones nodded in his second, Kane smashed in another penalty and then scored a lucky third, before Felipe Baloy fired in a consolation goal.

This was the first time England had scored four goals in a World Cup match since the 1966 final against Germany.

Meanwhile, skipper Kane, who now has five goals in the tournament, became the third England player to score three or more goals in a World Cup group stage, after Roger Hunt in 1966 and Gary Lineker in 1986.

England will now compete with Belgium - who secured their second win by [beating Tunisia 5-2 on Saturday](#) - for top spot when they play each other on Thursday (19:00 BST).
