Mock Exam Week : 26th February – 2nd March

During the mock week you do not have to go to lessons. You are free to revise in school or at home, unless you are taking Cambridge Tech qualifications in which case you need to check with your teachers.

The mocks are extremely important as a key preparation for the summer and it also shows staff if you are capable of continuing with the course. You need to pass each exam to continue with the subject so please revise carefully.

Please arrive at 8.45am for a morning exam and 12.45pm for an afternoon one.

If you are feeling really ill on the day of your exams please ensure that one of your parents/carers rings in for you. We will need a doctor's note please and your exam will be rearranged.

We will try to supply as much information on rooming each morning but if you are in any doubt – you should go over to HA1 where you will be given further information.

The Common Room and Study Periods

The Common Room is open from 8.00am until at least 6.00pm each day.

Please ask Mrs Booth if you need a separate room for group revision

Enrichment

There will be no enrichment sessions this week (**apart from English and Maths GCSE students who must keep going to the sessions**) so that you can use this time to revise for mock exams – Enrichment sessions will start again from the 7th March.
