**Chair of Governors:** Mr JG Wilson OBE

Dear Parent/Carer

**Cashless Catering**

I would like to make you aware that from the start of the next autumn term (September 2016), students will no longer be able to top up catering accounts using the machines in the dining room.

All dinner money should now be paid online using your sQuid account. I have enclosed a copy of your letter showing your sQuid account details.

The payment machines in the dining hall are due to be taken offline in time for the beginning of the autumn term.

I would also like to make you aware that sQuid also provides the opportunity for the payment of school based activities, such as school trips and music tuition.

This can be done by selecting school trips and offers from "my squid", then choose view offers to proceed.

We are sure that you will appreciate the advantages that an updated system will offer parents and students of the school, including the convenience of being able to make payments securely from your home and without the need for students to carry cash.

Yours sincerely

*Andrew Oliver*
