

## Online payments with sQuid

An easier & more convenient way to pay

The Kimberley School has a biometric system in place that identifies students via a fingerprint scanner. We would like to make you aware that from September 2016, we have now gone cashless and students will no longer be able to top up catering accounts using the machines in the dining room. The new preferred method of payment is by using your online sQuid account.

sQuid is an online payment system that can be used to make for a variety of school payments. Parents can use sQuid to pay for school payments such as: cashless catering top ups, music tuition, revision packs and payments for school trips.

### Benefits include:

- A more convenient way to pay - no need to worry about sending cash or cheques
- View your child's transactions anywhere, at any time
- Enable Auto top up for peace of mind that your child will never run out of funds
- Ensure money is being spent on healthy school meals
