Application for Leave of Absence

Students should not have holiday time in addition to normal school holidays. The Kimberley School will not authorise any leave of absence taken during term time.

The Government has made amendments to the Education (Pupil Registration) (England) Regulations 2006 which came into force on 1 September 2013. These state that Head Teachers may not grant any leave of absence for holidays during term time unless there are exceptional circumstances; in these cases, it is the Head Teacher who determines the number of days a child can be away from school if the leave is granted. As a consequence of these changes we will no longer be able to approve requests for leave of absence for reasons that are not considered to be special or exceptional.

The Local Education Authority works with the school to reduce the number of children absent due to holiday taken in term time and The Kimberley School will refuse your request to take your child out and the absence will be unauthorised. From 1st September 2015, the threshold for absences taken in term time has changed. If your child has more than 3 days unauthorised absences within a 6-week period, The Kimberley School will refer parents to the Local Authority where they will consider your request and which could result in a fine being imposed on them set at £60 per child which must be paid within 21 days. Failure to pay this penalty within the set time period will result in an increase of the penalty to £120 which must be paid within 28 days. If you disagree with the decision made by the Head Teacher, you can appeal in writing to the Governing Body with a full explanation of your exceptional circumstances.
