All Years – Music

Keyboard Group

Open to all years

Today at lunchtime in M1

The Keyboard Group is a great opportunity for students to make music with others and take part in music performances.

Rehearsals begin today for our Christmas concert. If you'd like to be involved come along to today's rehearsal.

to submit your entry

Rob is playing with his Rubik's cube. He arranges it so that on one face there is a pattern of 5 blue squares and 4 orange squares.

He then rearranges it again and again so that that the squares are in different patterns but the middle square is always blue.

If Rob can rotate the cube so that the pattern looks the same as another one, he does not count those patterns as different. The four patterns on the right are all the same.

How many different patterns can Rob make?

Extension: Would there be more patterns if he used 3 oranges and 6 blues? What about other combinations?

Year 12

Y12 GCSE Certificate and Achievement Celebration Evening

We would like to invite you and two guests to the Year 12 GCSE Certificate and Achievement Celebration Evening on Wednesday 14th November 2018 at 6.30pm in the School Hall.

The evening is designed to recognise and celebrate your successes and achievements at the end of Year 11.

As part of the celebration, GCSE Certificates will be handed out to all students.

There will also be awards for some individual achievements, including individual Subject Awards.

Year 12 & 13

Yr12 & Yr13 Maths, Further Maths and GCSE Resit Maths Thursday Drop-In Sessions 3:10-4:10pm Room 29

Maths Drop-In sessions are open to all Yr12 & Yr13 Mathematics students to bring their independent study and receive 1-2-1 help and guidance from our experienced team of Teachers.

These sessions form a crucial part of the process of reflecting on the topics you have covered and addressing the problems which you are encountering. Unless you are regularly achieving 100% in your formal assessments we **strongly** recommend that you attend.

The sessions are not formal lessons but we do expect you to make effective use of your time when attending these sessions and allow others to do the same. As these are drop-in sessions, we do not provide you with work, but you should have plenty of material from your lessons and **we do supply biscuits!**
