Whole School

This Sunday marks the 100th anniversary since 1918 when, on the 11th hour of the 11th day of the 11th month, an armistice, the end of war, was declared to conclude World War I, then known as “the Great War.”

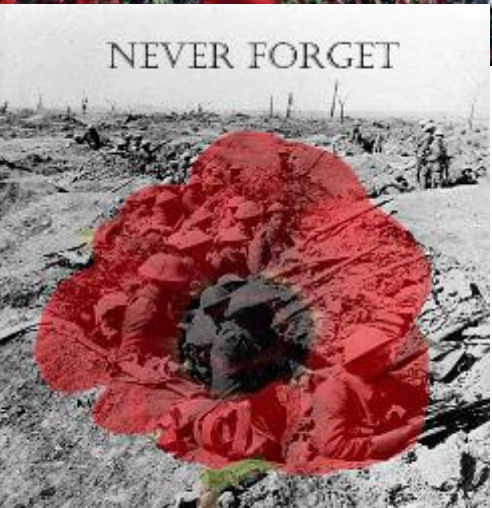

This war alone took the lives of between 15 and 19 million people and in the 4 years of fighting between 1914-18 an average of 230 soldiers lost their lives every hour..

A **moment of silence** is often a gesture of respect, particularly in mourning for those who have died. As a school we will unite in showing that respect to those who have lost their lives in war by giving a two minute silence at **11am today**.

NEVER FORGET

The school bell will ring at 11am and then again at the end of the two minutes.

Please take this opportunity to reflect on the sacrifices that men and women have made in conflict so that we might live in peace.

Thank you

All Years – Music

Woodwind Group

Open to all years

Today at lunchtime in M1

The Woodwind Group is a great opportunity for those who play woodwind instruments to make music with others, learn new songs and take part in performances.

Rehearsals begin today for our Christmas concert. If you'd like to be involved come along to today's rehearsal!

WANTED

Students who enjoy reading to be trained as reading coaches for **Tuesday Tutor Time Reading** in the LRC.

If you love reading and want to help and encourage Year 7 students to enjoy reading too, please go to the LRC to register your interest in applying to be a reading coach.

Training will be held soon for successful candidates.

to submit your entry

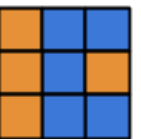

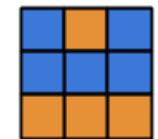

Rob is playing with his Rubik's cube. He arranges it so that on one face there is a pattern of 5 blue squares and 4 orange squares.

He then rearranges it again and again so that that the squares are in different patterns but the middle square is always blue.

If Rob can rotate the cube so that the pattern looks the same as another one, he does not count those patterns as different. The four patterns on the right are all the same.

How many different patterns can Rob make?

Extension: Would there be more patterns if he used 3 oranges and 6 blues? What about other combinations?

Year 12

Y12 GCSE Certificate and Achievement Celebration Evening

We would like to invite you and two guests to the Year 12 GCSE Certificate and Achievement Celebration Evening on Wednesday 14th November 2018 at 6.30pm in the School Hall.

The evening is designed to recognise and celebrate your successes and achievements at the end of Year 11.

As part of the celebration, GCSE Certificates will be handed out to all students.

There will also be awards for some individual achievements, including individual Subject Awards.

Year 12 & 13

Yr12 & Yr13 Maths, Further Maths and GCSE Resit Maths Thursday Drop-In Sessions 3:10-4:10pm Room 29

Maths Drop-In sessions are open to all Yr12 & Yr13 Mathematics students to bring their independent study and receive 1-2-1 help and guidance from our experienced team of Teachers.

These sessions form a crucial part of the process of reflecting on the topics you have covered and addressing the problems which you are encountering. Unless you are regularly achieving 100% in your formal assessments we **strongly** recommend that you attend.

The sessions are not formal lessons but we do expect you to make effective use of your time when attending these sessions and allow others to do the same. As these are drop-in sessions, we do not provide you with work, but you should have plenty of material from your lessons but **we do supply biscuits!**
