# All Years – Music

## Keyboard Group

Open to all years

Today at lunchtime in M1

A photograph showing a person's hands playing a keyboard instrument, possibly a synthesizer or digital piano. The image is overlaid with a semi-transparent blue filter. The person is wearing a white shirt with a dark cuff. The keyboard is black and white, and the person's fingers are positioned over the keys.

The Keyboard Group is a great opportunity to make music with others, learn new songs that you'll know, and take part in music performances.

**Students of all musical abilities welcome!**
