# All Years – Music

## Guitar Group

The Guitar Group is open to guitarists in all years  
Today at lunchtime in M1

The Guitar Group is a great opportunity to make music with other guitarists, learn new songs that you'll know, and take part in performances.

Students of all musical abilities welcome!

## Years 7 & 8

The logo for LAMDA (London Academy of Music and Dramatic Art) is displayed in a bold, magenta, sans-serif font, tilted at an angle. It is set against a white rectangular background that has a subtle drop shadow, making it stand out from the blue header and the background image.

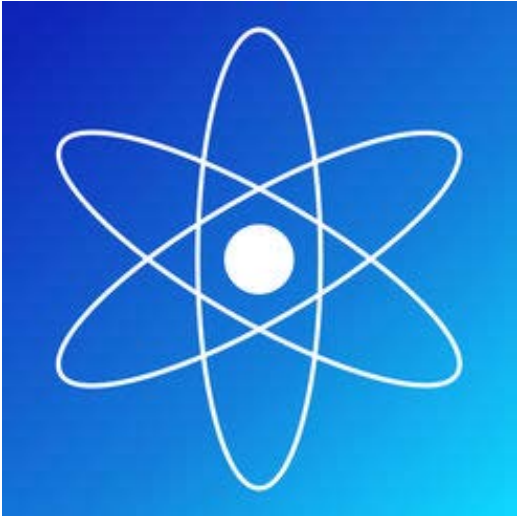

**LAMDA**

The background of the slide features a faded, light blue image of a school building with a large, stylized 'K' logo on its facade. The building is shown from a low angle, looking up, and is slightly tilted to the right. The overall aesthetic is clean and professional, consistent with a school notice.

A reminder to all Mr. Howes' **Revolting Rhymes** cast that they are rehearsing this Wednesday after school until 4p.m and during the second half of Thursday's after school LAMDA club until 4.30p.m.

# Year 10 & 11

## Year 10 and 11 - Physics support

If you need help with your physics work, or want to get ahead with revising tricky topics, come to S1 during Wednesday lunchtime.

You could request a particular topic in advance, or just drop in.

**Thanks,

## Whole School – Maths

The Kimberley School has registered to take part in a free international puzzle competition called **Puzzle of the Week**. This enables our young mathematicians to show off their problem solving ability in a variety of different contexts and compete against many other schools around the world, parents and teacher are welcome to take part as well.

**Update!!**

**We are now at the top of the World  
Leaderboard!**

**Well done to all of those involved.**

## This weeks Maths puzzle...

(a copy is also on the display board in the Maths corridor)

Jennifer is trying to come up with a memorable phone number for her company but has some important rules that need to be followed..

- The phone number **must** have no more than two different digits in it.
- The phone number **must** start with a 5.
- The phone number **must** be exactly five digits long.

53535 and 51115 are examples of phone numbers that meet her rules..

***How many different numbers meet Jennifer's rules?***

**Extension:** What if Jennifer's number needed to be 6 digits long?

What if she were allowed 3 different digits?

# The Kimberley School Student Notices

## Year 12 & 13

### Yr12 & Yr13 Maths, Further Maths and GCSE Resit Maths Thursday Drop-In Sessions 3:10-4:10pm Room 29

Maths Drop-In sessions are open to all Yr12 & Yr13 Mathematics students to bring their independent study and receive 1-2-1 help and guidance from our experienced team of Teachers.

These sessions form a crucial part of the process of reflecting on the topics you have covered and addressing the problems which you are encountering. Unless you are regularly achieving 100% in your formal assessments we **strongly** recommend that you attend.

The sessions are not formal lessons but we do expect you to make effective use of your time when attending these sessions and allow others to do the same. As these are drop-in sessions, we do not provide you with work, but you should have plenty of material from your lessons and **we do supply biscuits!**
