All Years – Music

Woodwind Group

Open to all years

Today at lunchtime in M1

The Woodwind Group is a great opportunity for those who play woodwind instruments to make music with others, learn new songs that you'll know, and take part in music performances.

Students of all musical abilities welcome!

Think you can solve this week's puzzle??

Jennifer is trying to come up with a memorable phone number for her company but has some important rules that need to be followed.

Visit..

puzzleoftheweek.com

to submit your entry

The phone number must have no more than two different digits in it.

The phone number must be exactly five digits long.

The phone number must start with a 5.

53535

51115

are examples of phone numbers that meet her rules.

How many different numbers meet Jennifer's rules?

Extension: What if Jennifer's number needed to be 6 digits long? What if she were allowed 3 different digits?

Yr12 & Yr13 Maths, Further Maths and GCSE Resit Maths Thursday Drop-In Sessions 3:10-4:10pm Room 29

Maths Drop-In sessions are open to all Yr12 & Yr13 Mathematics students to bring their independent study and receive 1-2-1 help and guidance from our experienced team of Teachers.

These sessions form a crucial part of the process of reflecting on the topics you have covered and addressing the problems which you are encountering. Unless you are regularly achieving 100% in your formal assessments we **strongly** recommend that you attend.

The sessions are not formal lessons but we do expect you to make effective use of your time when attending these sessions and allow others to do the same. As these are drop-in sessions, we do not provide you with work, but you should have plenty of material from your lessons and **we do supply biscuits!**
