School Gateway

As part of our ongoing development of parental engagement, we are introducing a new, free, smartphone app for parents, called 'School Gateway'.

The app is now available for download for Apple (iPhone 3GS or later, iPad, iPod Touch) and Android (2.3 / Gingerbread or later) devices.

With the app, you will be able to:

- ❖ Receive emails and text messages from The Kimberley School
- ❖ View attendance and timetable information,
- ❖ View student achievement points and behaviour issues

The set-up process is simple and will take no more than a couple of minutes:

1. Search for “School Gateway” in the Apple App Store/Google Play or on your phone go to www.schoolgateway.com/apple (Apple) or www.schoolgateway.com/android (Android)
2. Install the app and if you are asked then say yes to “Allow Push Notifications”
3. When you launch School Gateway for the first time, please select ‘New User’ and enter the email address and mobile telephone number you have registered with the school
4. The system will send a PIN code to your phone; please enter this PIN code and the app will be activated for you. As soon as you’ve got the system set-up, all of the text messages we send you will appear in the app; you’ll receive notifications/alerts as normal.

If you’ve recently changed your email address or mobile telephone number, please let us know so we can update our records.

For more information on the app please contact the school on 0115 938 7000
