## Whole School

**Exam Season** - You will have noticed that A-Level and GCSE exams have started, these will run for the next 6 weeks. They are taking place in the main halls and in rooms and offices around main school. There are very clear signs up when exams are taking place. I am sure that all of us want the exams to go well and it is important that we all act quietly and considerately when they are on. So can everyone:

Please move around the main school quietly when exams are on. Please be aware of the signs and move silently when you are going past these rooms. The lesson changeovers at the end of period 1 and 4 are particularly important.

Be aware that any noise from the main school PE changing rooms carries into the halls and will disturb students doing their exams. Please make sure that you are quiet at all times when you are in these changing rooms.

When you have PE please line up outside the entrance to main school and wait until your PE teacher collects you.

It is all of our responsibilities to make sure that students in the exams are not distracted – thank you for supporting us in doing this.

Mr George
