

The Kimberley School

# **Student Notices**

**Thursday 21<sup>st</sup> December 2017**

# Whole School

**Please remember that school finishes at 12:20 tomorrow for the Christmas holiday, school buses have been asked to pick you up at this time.**

It has been another brilliant term at Kimberley School and you have shown once again what a fantastic group of students you are. Please do help your teachers and other staff by leaving the site sensibly on Friday, by behaving well in the local community and on the school buses on your way home.

# Whole School

**We have lots of coats and P.E. kits in lost property at Student Services.**

**Please check at break or lunch time today, otherwise they will go to a new home.**

**No P.E kits are to be left in Student Services, if you would like a locker to store items then please ask for information**

## Year 12

**Headstart courses are 4 or 5-day residential courses at a leading UK university for Year 12 students.** There is a wide range of STEM courses including, but not limited to; Chemical Engineering, Computer Science, Oceanography and Marine Biology, Nuclear Physics, Life Science and Broad-Based Engineering. The courses will give students an insight into university life, it will give them the chance to connect with professionals, such as lecturers, graduates and technical specialists whilst developing essential skills like problem-solving and team work, all whilst developing their knowledge of a subject they feel passionate about and helping them decide if it is something they want to pursue for a career. More information about the different courses that are running next summer can be found here: <http://www.etrust.org.uk/headstart/courses>
