Good news

Ann, an 80yr old lady from Kimberley, has just called school. She says she was just getting out of her taxi on Station Road when a young man in Kimberley uniform went to help her as he could see she was struggling. He offered his hand and helped her out of the taxi without being asked. She said it made her cry as it was so lovely.

She says too often young children get a bad press and she wanted to give us some good news about the wonderful young people we have at The Kimberley School.

Well done to that young man who ever you are.
